
OG-120 Wash

All-Purpose, Water-Miscible Blanket and Roller Wash

Product Description

OG-120 Wash was formulated to be the primary all-purpose, water-miscible blanket and roller wash product for the majority of sheetfed and web-cleaning applications. It is efficient in both economics and performance and is friendly to use. The water-miscible characteristics actually improve ink cutting power and rinsability, aiding in the elimination of harmful residues which can build up to cause stripping and blinding.

Product Application

OG-120 Wash is a workhorse clean-up solution that will remove ink, paper, coatings and other contaminants quickly and easily. OG-120 is easy to use, is economical and is compatible with press elastomers and equipment, and is compliant with environmental regulations.

Technical Specifications

Drying Speed	Medium
Water-Miscible	Yes
Flash Point (°F TCC)	105
VOC (lb/gal method 24)	6.50
Vapor Pressure (mm HG)	2.79
Odor/Fragrance	Med/Vanilla

Features and Benefits

- * Economical
- * Non-damaging to rollers and blankets
- * Efficient cleaning power.
- * Water-miscible. Special ink-cutting, rinseable formula

Directions

Blankets: Apply OG-120 Wash to a water-dampened cloth; wipe blanket until ink is removed. For best results, follow with a water-dampened cloth to remove all residual contaminants. Alternately, add 20% to 50% water to OG-120 wash in a wash-up bottle. Shake well before using.

Rollers: Apply OG-120 Wash directly to rollers, engage wash-up blade, allow ink to run off and repeat until ink is removed. Finish with a water rinse to remove all residues.
